*Office Memorandum* • UNITED STATES GOVERNMENT

TO : Chief, Plans and Policy Staff/TR

DATE: 5 October 1960

FROM : Chief, Junior Officer Training Program/TR

SUBJECT: Report to the President's Board of Consultants on Foreign Intelligence Activities (Hull Committee)

Reference: Your Memorandum of 28 September 1960; Same Subject

1. In terms of the content of the previous report of 31 March 1960 and the tentative items which you suggest, I see nothing of significance to include on the JOTP.

2. We of course are working on a number of problems in order to meet the new requirements levied upon us. In one way or another these requirements have produced problems of recruitment, promotion, appropriate placement, directed assignment and better coordination of the formal integrated training program.

3. If, in your opinion, any of the items in paragraph (2) are worthy of attention I shall be very glad to give you as much data as is available.

4. Assumably it would be inappropriate to comment on the IG report although I am dying to do so!
